## SUMMER THEATRICALS FOR STAY-AT-HOMES.

To Japan by elevator is a new and delightful experience to be had by those who tire of city garden spots and seek novelty atop of Madison Square Garden. "Japan by Night" is the newest thing in roof gardens. From what was on view last evening, the management can, with a little experience of what the public wants, make their venture well worth while.

The elevators land one far above the city into a face of colored lanterns, tea-houses and a garish Japanese temple, where jugglers and acrobats take the place of priests. Dainty little Japanese women shuffle about in their quaint costumes and serve tea or cooling drinks.

The "Show Girl" opened a two weeks' engagement at Manhattan Beach, with all of the old Broadway favorites in their original roles. At the other end of the beach the "Burning of Rome" continues a popular attraction, and general Tom Shannon and his Twenty-second Regiment Band are heard in daily concerts.

"The Chimes of Normandy" were heard at Terrace Garden last evening. The opera, featuring the popular Henry Blakes, who originated the role of the miser in this country twenty-five years ago, has been specially engaged for the week.

Handmaster Duas started his sixth week at St. Nicholas Garden with a big audience. His soloists were Helen Noid, a dramatic soprano, and Miss Aurie Dagwell, who sang popular ballads. Both ladies were enthusiastically enjoyed.

The American Roof Garden has gone out of business. Put Hammerstein's

## PE-RU-NA

A Congressman's Wife Uses  
Pe-ru-na for Nervousness.

MISS ADELAIDE CLAIRE, 148 W. Forty-first street, New York City, N. Y., writes:

"Pe-ru-na strengthens and restores the nervous system, builds up your worn-out constitution and is just what women need who are afflicted with weakness of any kind. I hear nothing but praise for Pe-ru-na on all sides. Most of the members of my family have used it, and all stand by it as a wonderful health giver." Miss Adelaide Claire.

Hon. Joseph B. Crowley, Congressman from Illinois, writes from Robinson, Ill., the following praise for the great catarrh tonic, Pe-ru-na. Congressman Crowley says:

"Mrs. Crowley has taken a number of bottles of Pe-ru-na on account of nervous troubles. It has proven a strong tonic and lasting cure. I can cheerfully recommend it."—J. B. Crowley.

### Catarrh a Systemic Disease.

Catarrh is a systemic disease, curable only by systematic treatment. A remedy that cures catarrh must act directly at the depressed source. This is what Pe-ru-na does. Pe-ru-na immediately invigorates the nerve centers which give vitality to the mucous membranes. Then catarrh disappears; then it is permanently cured.

Pe-ru-na cures the catarrh wherever located. It is a sure and quick cure. It is an absolute scientific certainty.

### Is the name sometimes given to what is generally known as the BAD DISEASE. It is not confined to dens of vice or the lower classes. The purest and best people are often infected with this awful malady through handling the clothing, drinking from the same vessels, using the same toilet articles, or otherwise coming in contact with persons who have contracted it.

It begins usually with a little blister or sore, then swelling in the groins, a red eruption breaks out on the body, ulcers appear in the mouth, the throat becomes tender and raw, the hair, eye brows and lashes fall out; the blood becoming more contaminated, copper colored spots appear on different parts of the body, and the poison even destroys the bones.

S. S. S. is a Specific for this loathsome disease, and cures it even in the worst forms. It is a perfect antidote for the powerful virus that pollutes the blood and penetrates to all parts of the system. Unless you get this poison out of your blood it will ruin you, and bring disgrace and disease upon your children, for it can be transmitted from parent to child. S. S.
